## ORT WORKS!

---

Since 1880, ORT's mission has been to enrich communities through education by providing practical and marketable job skills, social services assistance, and financial support to at-risk populations and those in need of training and re-training. World ORT's network of 800 schools, colleges and programs, located in 55 countries, enables its 300,000 students, young and old, to become productive citizens and lead their families forward. This is a responsibility ORT America welcomes as part of its commitment to providing educational opportunities that help people help themselves.

## ORT HELPS MICHIGAN

---

Here in West Bloomfield, the David B. Hermelin ORT Resource Center, located in the D. Dan and Betty Kahn Jewish Community Center, provides a local example of ORT's capability to change lives for the better through education. Through Hermelin ORT, the Better Jobs Opportunities (BJO) program offers free computer training courses to unemployed and underemployed Michigan residents providing them with the skills necessary to find gainful employment in Michigan.

**Proceeds from the Rub-a-Dub Fundraiser  
will support ORT students around the world,  
including those here in Michigan.**

*A portion of your donation will go directly  
to the Hermelin ORT Resource Center.*
